PC 23-0049

March 23, 2023

Chief Dan Kinsella
Halifax Regional Police
1975 Gottingen Street
Halifax, NS B3J 2H1

Dear Chief Kinsella:

Re: PC-23-0049: The matter of Scott Jewers and an Unknown Officer

This will acknowledge receipt of the above complaint, a copy of which is attached for your information and attention together with two subsequent emails from Mr. Jewers. The Form 5 was received on March 15, 2023, but the complaint was not accepted for processing until March 23, 2023, when the attached emails from Mr. Jewers were received.

The complaint is to be investigated only in relation to the officer who removed handcuffs from Mr. Jewers at HRP headquarters on August 2, 2022.

In accordance with Sections 36(1) and 42(3) of the *Police Act* Regulations, a copy of a Notice of Completion of Investigation in Form 9 shall be forwarded to the complainant, the member complained of and to me, on or before **May 22, 2023**.

Should it become apparent during the course of the investigation that there will not be sufficient time to complete it, a request in writing must be made to me to extend the timeline. I will require detailed reasons for the request.

In the event of a Withdrawal of Complaint (Form 6) or an Informal Resolution of Complaint (Form 7), a copy of either form shall be forwarded to the complainant, the member complained of and to me, therefore making the submission of a Form 9 unnecessary.

Yours truly,

Patrick H. Curran
Police Complaints Commissioner

No TO BE PERFECTLY CLEAR - As i stated to your Officers... I do not want them personally punished (Aside from Officer 5 who took the cuffs off). But if they lied on the record, there is nothing I can do. As stated... Dan Kinsella should have taken personal responsibility. The fact they would use this to extor his own Officers is an absolute Breach of Public Trust.

If I hear of any of the Officers getting fired, or being targeted. I am going to have a very serious problem. So you will not just remove them without making it very clear why Dan Kinsella was not responsible.

Hi,

After filing this complaint, NSHA, who was involved in covering it up. And had serious quantified complaints made against them Had me arrested, falsely accused, stripped mof my rights... RCMP was shocked.... But this time the RCMP refused to arrest me, pushed back... But NSHA lied and forced them t because they faced serious shared liability, for slandering, lying, perjury and Torturing me. Using HRP false arrest, as justification to torture and slader me again. Then claimed "Plausible Deniability". It's absolutely criminal. But I digress...

Very Basically. Aside from my wallet being stolen... the Following is still objective true, and indicates serious crimes.... The Wortley Report apology on November 19th 2019 -

I got an email about a "Job" from Capital Health.

Jim Perrin got his Transfer to JDirving

Postmedia Gets their Journalistic Accreditation

TorStar Shuts down their Halifax Office (Next Day)

Jamie Irving now sits on the Board of Directors of PPostmedia. Postmedia seems to have Owed JDirving Money (Debt consolidation?), while JDirving Sold Brunswick News Inc to POSTMEDIA for 16 Million dollars. - Motive, opportunity and Intent.

Dan Kinsella said "I, as chief, will take personal responsibility and follow up in every case." (An absolute lie)

Postmedia and TorStar were under investigation for Collusion. While HRP said it would be disingenuous to apologize... until Basically The "Right kind of White", Rich... white men. Got special Considerations. While noting Postmedia, has promoted Known hate groups, hate rhetoric, racists and misinformation. They are also 66% foreign owned and linked to some of the worst people imaginable... Now April 18th 2019, the SAME day i get a speeding ticket, get pointed at RIGHT IN TRAFFIC and pulled over, there is HRP document, that somehow TorStar got their hands on, showing Robin McNeil and Board of Police Commissioners stating there would be further organization changes required before apologizing for Systemic Racism. Basically the Transfer of Jim Perrin which is generally reasonable. But then, his Job with JDirving just happens to get Posted 10 Days after HRP Magically finding my wallet, where Jim perrin would have control over the Case.... if there is ANY open case what so, CSIS has to deny my security clearance, and cant tell anyone. ALlowing JDirving to attack, frame and degrade by Proxy. THIS IS A FACT.... JDirving retaliated against me, when I did absolutely nothing. **And guess who JDirving then sends to Investigate?**

JIM PERRIN...Who then objectively lied about the investigation while they mocked Racism and Harassment as all some Narrative to get police.... **this is really serious.**And directly links the collision to JDIrving and their Private Interests. The fact they were feeding this extortion engine, allowed 3RD Parties, Non Canadians to Game our System, which directly compromised our National Security and Defense.... These were some of the worst possible people in the world and because of this corruption they were able to penetrate and use the Police as Proxy... Really, this is the premise of a seditious conspiracy and these individuals are very reasonably aided and abetted.

Dan Kinsella said "I, as chief, will take personal responsibility and follow up in every case." (An absolute lie)

As a matter of Fact and clear record - I also informed all parties, RCMP, HRP and CSIS before going down. HRP was on thread for over a Year. Detailed public dates and data was submitted 20 Days before going down - and proves there are absolutely no random dates or made up connections. HRP knew the dates were right, in fact the supervisor confirmed a Date about what appears to be Jim perrins Job Posting with JDIrving 2019-06-17. They said we're going to get you some information as to contact professional services, as they said the Officers don't take the complaints. Which is FALSE, she just didn't want to have to file the complaint against the chief and thes "right kinds of white".

Complimenting or filing a complaint against a Halifax Regional Police Officer - <https://www.halifax.ca/fire-police/police/programs-services/compliments-or-complaints>

Who can make a complaint?

The conduct of Halifax Regional Police employees is guided by the Code of Ethics. Anyone who feels they haven't been treated properly or who has concerns about the actions of a Halifax Regional Police officer, or the policies or service provided by Halifax Regional Police, may file a complaint. **You can make a complaint against any Halifax Regional Police officer, including the Chief of Police.**

Do I have to contact Professional Standards to make a complaint?

No. You may make your complaint to any of the following:

- any member of the Halifax Regional Police**
- the Halifax Regional Municipality Board of Police Commissioners
- the Police Complaints Commissioner

You can discuss your concern with any of the above but if you want to make a formal complaint, you must fill out and complete the Form 5 - Public Complaint – [Section 31(1)] Police Act Regulations form [PDF].

The Police Complaints Commissioner receives a copy of every formal complaint, regardless of where it is filed.

NSHA, upon clearly knowing there was a massive conflict of interest, lied and tried to cover up the incredible failing of the staff. Including NSHA giving my Bookbag to two non-associated HRP Officers who, as it was reported, went through all my stuff including my wallet... The next day, the person whom they used to claim was me, came to me about my bookbag, and told me what the police did and asked "Do you want to rock paper scissors for one of the \$20's".... I had 2, \$20 bills in there... they 100%, were given my stuff. NSHA has also lied about this breach. The psychologist was recorded...and her behavior is shocking... It's the definition of Criminal Negligence. I heard the two officers who arrested me talking, they knew something was wrong, and it wasn't me. I was calm ,cool and collected the entire time. Officer 1, 2, 3 and 4. Didn't really mistreat me aside from Arresting me... Officer 5 who took my Cuffs Off - Should be fired and reprimanded immediately. The Supervisor should be fired - that was a criminal assault. Dan Kinsella knew about this but let his Officers take the heat to cover up for himself... hoping he could hold it over their heads.... And makes me wonder then about the Historic and Unprecedented Vote of Confidence that occured just 1.5 Months later, where 96% voted against the chief... It's an interesting coincidence

to say the least. While if any party thought i was a risk, why let me walk down to HRP? Because no party thought I was at risk. Including CSIS and RCMP.

The basic question here - WHY DIDN'T HRP LET ME FILE A COMPLAINT!? Because they knew they were in the wrong. This was Criminal Negligence at best.

As for torture, it was criminal assault. Because NSHA lied and knew they would have to file a complaint against HRP. They covered it up...and then forced me to Take risperidone under threat of severe violence. Which has a 46% chance of Erectile Dysfunction.... On top of other serious side effects. **This was absolutely coercive torture. And HRP exploited, extorted, lied, cheat and stole as to specifically have me tortured and defamed... they knew it would affect my personal Record. And now the RCMP is saying that Because NSHA said I was retarded, they don't have to open a case... They are refusing to allow me to file a complaint regarding the core issue because HRP lied, and NSHA had to cover it up... So now RCMP is claiming because HRP and NSHA said im retarded . I don't get my chartered rights. I have no rights to open a case with the RCMP. While under Canadian law, Even if I was retarded.... I still have rights. Which means this is a Hate Crime... and HRP is well aware of the Damage their Actions caused. And is absolutely complicit in the matter... serving as their Message of Terror. Not only to me, but to the Entire Halifax Community. And I want this investigated as a Hate Crime.**

While:

Department of Justice - **What You Need to Know About Making a Citizen's Arrest** - I asked valid, legal questions. Never made a threat, never loitered or caused any issues with Officers. As stated and requested, I discussed the issue with Law Enforcement for clarification as the evidence was incredible. Especially regarding My Wallet which just HAPPENED to end up in HRP Custody under JIM PERRIN. So in terms of my property, there being no limiting timeline and the fact these parties are ACTIVELY benefiting, as if this became public they would face consequences... Meaning they would be actively benefiting from the theft of my property. I asked for this to be clarified. Never , ever, ever said I was ever going to touch anyone, and have never made a threat. This was confirmed by RCMP and CSIS. Never made a threat, or have ever suggested violence. An arrest does not mean there is any physical contact.

HRP Basically committed several Hate Crimes. In addition to a False Arrest, Breach of trust, Slander, Defamation, Criminal Negligence and Criminal Assault. Just as a starter.
